## **SPECIAL NOTE OF INTEREST!**

Mike Joseph is a “Gaming Specialist” that turns your ordinary gaming employees into extraordinary gaming employees.

Mike Joseph is an “International Gaming Specialist” who is known for educating gaming employees and not for entertaining them.

Mike Joseph “International Gaming Specialist” believes that employees in:

The Gaming Commission, The Surveillance Room, Table Games pit area and Security should be learning something new on a daily basis about the position they hold so as to increase their knowledge, skills and ability thus increasing their personal value to their property and the market place. When these employees are not learning something new about the position they hold on a daily basis someone in management is shirking their responsibility to their people and also their company.
